

Your Voice, Your Organization

The National Association of Health Underwriters (NAHU) represents more than 100,000 licensed health insurance agents, brokers, consultants and benefit professionals through more than 200 chapters across America. NAHU members service the health insurance needs of large and small employers as well as people seeking individual health insurance coverage.

Information Resource

With our website (www.nahu.org), Health Insurance Underwriter (HIU) magazine, and several newsletters and broadcast emails at your fingertips, you'll always have the most current industry information.

Legislative Advocacy

NAHU's legislative efforts strive to educate officials on both the federal and state levels about the healthcare system and the vital role of the health insurance agent as a consumer resource and advocate. Through a network of key contacts, NAHU cultivates relationships that allow members to clarify issues before bills are written and votes are taken. These relationships are strengthened through actions undertaken by the Health Underwriters Political Action Committee (HUPAC).

Health Insurance Underwriter Magazine

All NAHU members receive a complimentary subscription to the Health Insurance Underwriter magazine. HIU is filled with valuable articles and information, including sales tips and best practice ideas.

Professional Development

Certification programs, professional designation courses, online resources and conferences are just a few ways NAHU helps members develop professionally as well as personally. Local chapters also host regular meetings where continuing education opportunities are provided.

Compliance Benefits

NAHU's Compliance Corner includes exclusive member only benefits such as having specific health reform implementation questions answered. Members also have access to free monthly webinars on timely compliance topics. Members receive a Daily Newswire, a compilation of national news stories about the health insurance industry delivered daily to your inbox. A weekly Washington Update is sent to our members via email and gives a summary of legislative and regulatory activities as well as compliance information.

Member-Only Benefits

From an exclusive agreement with Mercer for agent preferred E & O insurance to compliance tools such as discounts for the ACA Dashboard and Plan Doc Builder, NAHU offers you the opportunity to save money on items you need to operate your business.

Networking

Interacting with other insurance professionals may be the most beneficial aspect of NAHU membership. Being able to reach out to other professionals, asking questions, meeting sales representatives and learning about products are all invaluable opportunities that membership provides. NAHU also offers online networking resources that connect members across the country.
